

NUALA KENNEDY

TUNE IN

“Kennedy doesn’t so much imbibe or inhale as swallow, whole and unadulterated, melodic and rhythmic influences from beyond her kith and kin. She is not only an exceptional interpreter of the tradition; her own music glistens with freshness.”

★★★★ - *THE IRISH TIMES*

“Bright and rhythmic, percussively accented playing... a voice of luminous clarity.”
- *THE SCOTTISH HERALD*
